What will we DO?

Art, crafts, theatre, magic, sewing, dance, music, games, every day the children will have the opportunity to explore a new discipline and create new memories and new friendships.

For which AGE groups?

As we welcome children from 4 to 12+ years old, all our projects are adapted to the age and abilities of each member of the group. We support them throughout the creative process and celebrate all their achievements.

How does the DAY unfold?

We dedicate the morning to our daily activities with snack breaks and play time. The afternoons are for playing, dancing, drawing, cooling off in our outdoor patio where we also do some activities, share our picnic or work in our small garden. Comfortable and relaxed, they will feel at home!
