CHRISTMAS CAMP 2026 - 2027

Fun, learning, friends and, as always, lots of creativity! With the Christmas holidays comes our summer camp. Every day, they will enjoy different disciplines and original creative projects... **art, crafts, sewing, dance, magic, theatre, music, games...**

From 9 a.m. to 1 p.m. or from 9 a.m. to 5 p.m., they will enjoy a holiday filled with maximum CREATIVITY.

As always, as we welcome children between the ages of 4 and 12, we adapt the level of difficulty of the projects to the age and abilities of each child. We follow their pace, accompany them throughout the creative process and celebrate their achievements with them. Weather permitting, we will enjoy our outdoor playground, where we will do activities, share snacks, and play! They will feel right at home!
